

REMARKS

Entry of the amendments to accept the allowable subject matter is respectfully requested.

Claims 7, 8 and 20 were indicated as reciting allowable subject matter in the Official Action mailed on August 2, 2007.

Upon entry of this amendment, claims 5-26, 28 and 29 are pending.

Claims 1, 3, 4, 7, 11-16, 20, 24-26 and 29 have been canceled by this amendment.

Claim 28 has been amended to include the features of allowable claim 7, and claim 7 has been canceled. Allowable claim 8 has been amended to now depend from claim 28, and as such has the same scope as formed the basis of the Office's prior indication of allowability. As a result, claims 5,6, 8-10, 17-19 and 21-23, which depend directly or indirectly from claim 28, are all believed to be in condition for allowance.

Allowed dependent claim 20 has been rewritten as newly presented claim 30 which includes the features of claim 20 and intervening claims 28, 17 and 18, except that the claimed arrangement has the mount comprising a post (as recited in claim 17 and utilized in dependent claims 18 and 20) rather than "a slot through the housing" (as recited in claim 28). Allowance of claim 30 is believed to be appropriate in view of the prior indication of allowability.

Dated: February 4, 2008

Respectfully submitted,

By David Leason
